Notes/Comments:

- 1) Any cans/receptacles that are blue or green are considered “recycling”
- 2) They come in different shapes and sizes (most examples on campus are noted)
- 3) Outside trash cans are generally black. The trash cans at Lancer Park and Longwood Villages may also be brown (page 4 upper left corner)
- 4) Shredded documents and bags must be placed in “recycling” areas for proper pickup
- 5) GCA is responsible for any cans outside of Aramark facilities (Greenwood common area between library entrance and Java City, *for example*) but are not responsible for recycling and trash within Aramark properties (Dorrill Dining Hall, Chick-Fil-A, Moe’s Southwest Grill, Java City, Lancer Café and The “P.O.D. Market” Commissary, located in the Commons at Lancer Park)
- 6) GCA is not responsible for any recycling needs **inside** of Barnes and & Noble/Campus Bookstore, but is responsible for the recycling cans in the Longwood Landings (sidewalks and housing areas)
